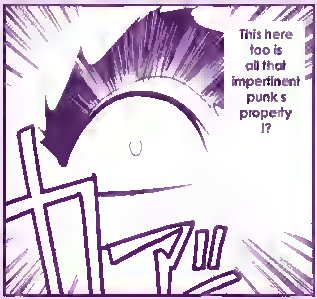
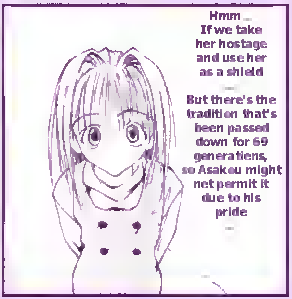
Do you have any business here ?



This here too is all that impertinent punk's property !?



Hmm... If we take her hostage and use her as a shield...
But there's the tradition that's been passed down for 69 generations, so Asakou might not permit it due to his pride...

Just as I'd expect from High School
I think it's pretty normal!!
You must be nuts, how dare you kick our boss !

EH ?
BOSS ARE YOU OKAY ?

I'll make you spend your next three years in the hospital
GAME OVER ... FRESHMEN PUNK !!!
Just because I'm not saying anything, doesn't mean you're going to be forgiven
Come on Gunnosuke, and you're suppose to be my best friend! We've known each other since Kindergarden!
Tako head?
YOU THINK I'LL LOSE TO THAT TAKO HEAD !?
Rumina, this is bad ...
Ignoring me?
Then they'll continue to bother you
That's not what I mean, but if you offend them

NOTE: TAKO = OCTOPUS

Rose -colored school life

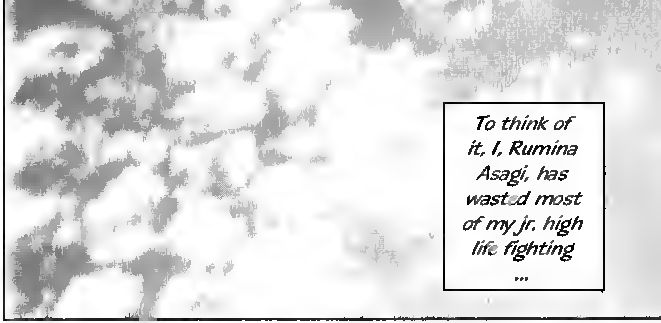
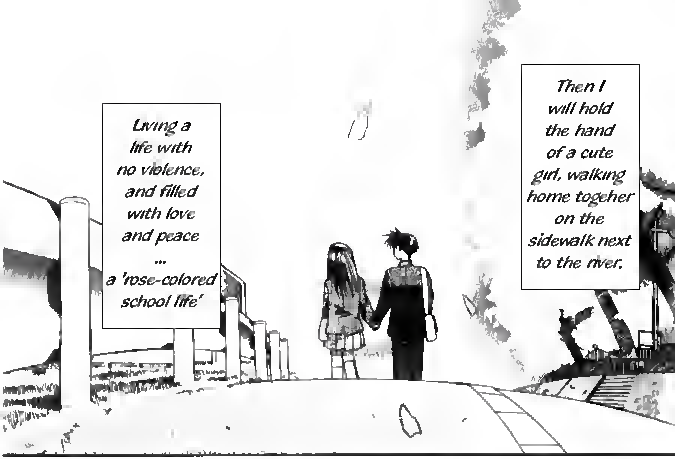
Picture of going home together
Hey wait up !
And your dream of a "rose-colored" school life, will probably ...
THIS ...
OH NO! THIS WILL TURN OUT TO BE THE SAME AS JUNIOR HIGH
THIS IS BAD !!!
Did you forget all about them ?



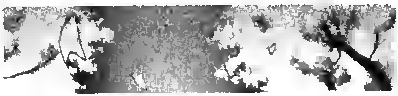
Finally I was crowned with the title of "THE KING OF FIGHTING"
And I would win every single one of them !
Everyday I take on the gangsters around the neighborhood

NOTE : THAT GUY IS...



Living a life with no violence, and filled with love and peace ... a 'rose-colored school life'
Then I will hold the hand of a cute girl, walking home together on the sidewalk next to the river.

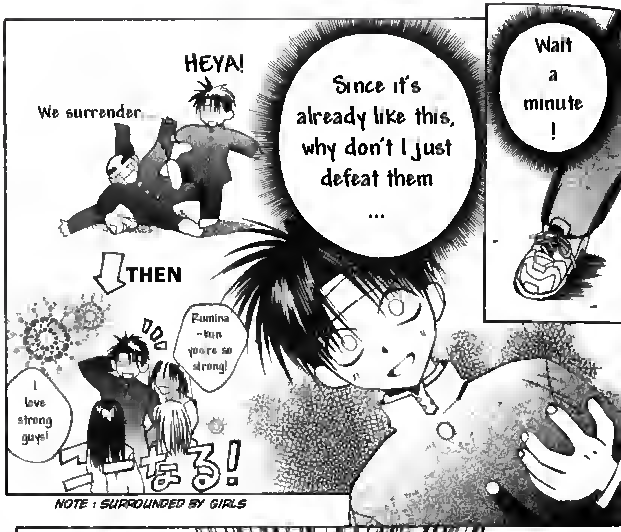
I have decided ...



Yes,

I must not fight with these punks ...
So ...
In order to reach that goal, I'll have to be a normal, quiet and kind student
HEY! WHY ARE YOU JUST STANDING HERE!?

BAM !!!
AH!
Crap! I punched him out of instinct ...
OH NO ____
Ah...
THAT HURTS !!!
DAMN KID !
Ah !



NOTE : SURROUNDED BY GIRLS

NOTE : NANI - WHAT

HOW DARE YOU! YOU LITTLE PUNK !
BOOM!

NOTES ■ SOUNDS FROM FALLING DOWN

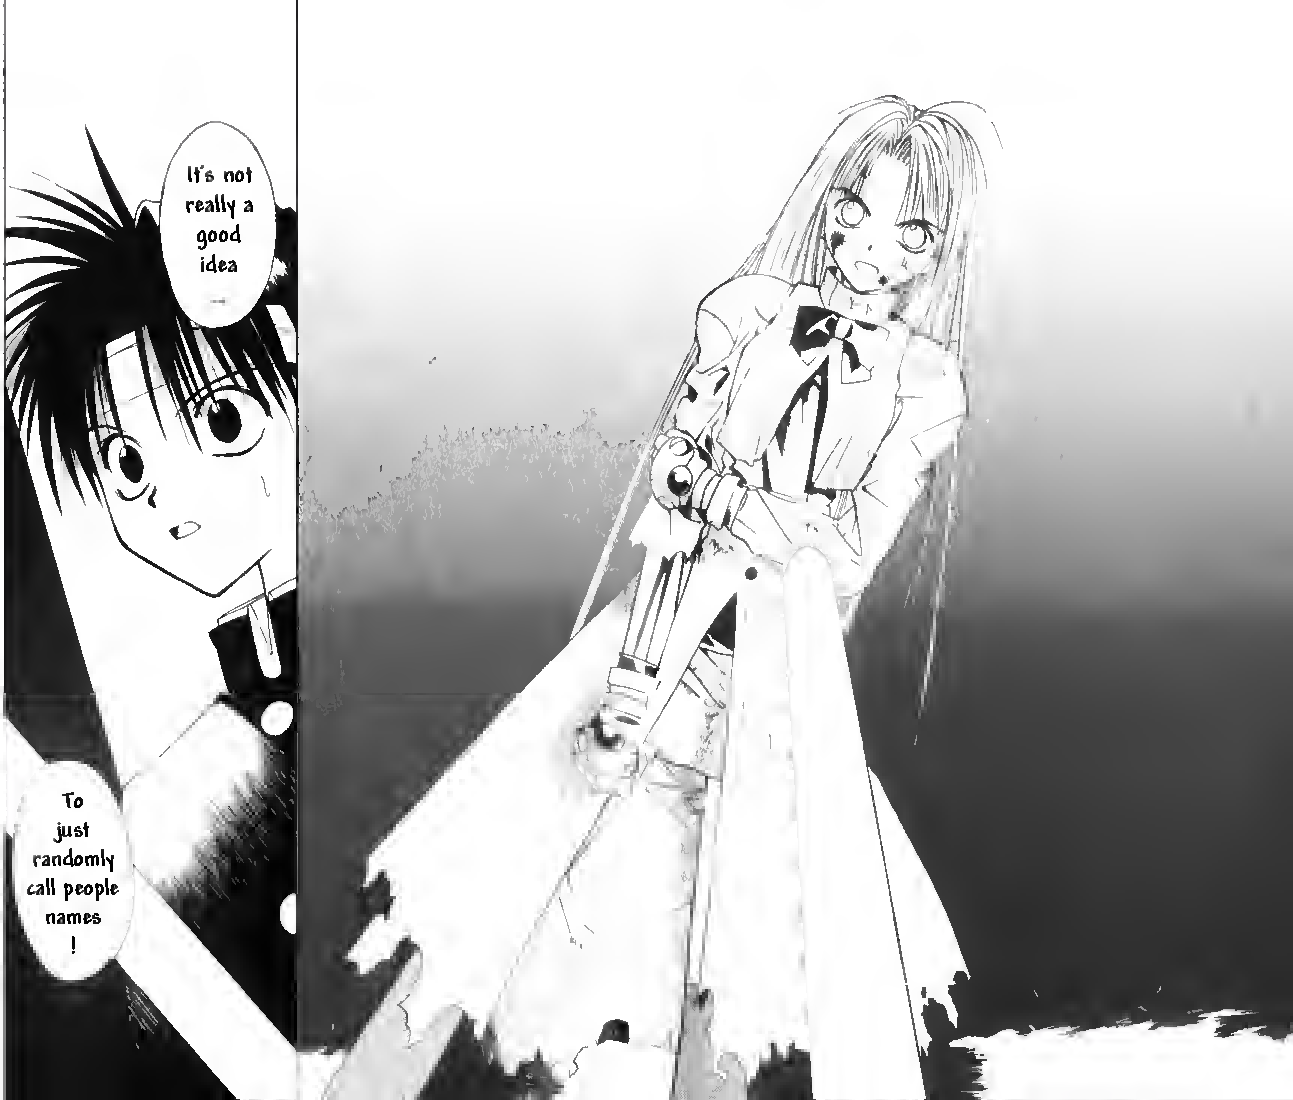
?
They're all running away !!!
I, who defeated the bad guys will receive the attention of all the girls ...
He's only a freshman and he's trying to be the boss ...
Eh?
He defeated all the bullies by him self !
-Girl's opinion-
Come on
he's way too scary !!!
Blah blah
Better stay away from people like him
How ...
He probably has a bad reputation back in Junior High

HOW DID IT TURN OUT LIKE THIS ...
DAMN IT !
BANG!
Temple of Resting Light

IT'S ALL OVER
Pathetic
Told you so ....
I can't believe my "save the day" act turned out to be like this...
KA CHUNG !
What's that sound ?
It sounds like it's from the main hall in your home

Why do I have to dress like this ?
Just a pre-caution !
Rumina
You mean a burglar ?
It's probably just your grandfather chanting again... Even though that's pretty scary too
Impossible Gramps already snaked out last month
Not counting home visits
To enjoy hot springs all over the country
>>> and leave his grandson at home

!
Shhh
!!
BASTARD ... I KNOW WHERE YOU'RE HIDING !!!
YOU BETTER GET OUT NOW !!!
A!



It's not really a good idea
To just randomly call people names !

?
Maybe he got defeated by the thief ?
CHUNG
Rumina is so slow
How ...
How did you get injured so badly ?
* A long story...
Yo ...
YO !?
!!
NOTE : THUMP

We've just escaped from the underground city
Underground city ? Hide for now ?

She drilled a gaint hole in the backyard
And all of a sudden she started to attack us but lost too much
blood then fainted
and we can't call the ambulance
Her friend seems to know nothing either ...
Umm...
Can I have another cup ?
Sigh
However ...

When I was holding back her fist
What was that feeling — It was almost as if I was being pulled down by a huge force
Rumina, why do you look so serious ?
If what they say was true as if there's really an underground city
Then this would be the biggest discovery of the century !!!
There has to be proof first !
Just as I expected from a future member of the science club
Besides, you can also fulfill you'r wish of being friends with a cute girl !
Which means living in a rose-colored school life
Hmm ...

My wish is to know normal girls through normal methods !
You mean my
dream is ful-filled ?
I don't want to get involved with random strangers !

How is it possible
the plants that were burned by fire are all
Even though I have heard about it,
But is this THE power?
The power that only the Priestess of life possesses

DON'T... RURI-SAMA!
YOU CAN'T USE IT!
NO...
POWER TO REVIVE!
IT'S AN UNSTABLE AND UNKNOWN POWER!
UP UNTIL NOW, NOBODY HAS USED THE POWER OF REVIVAL
YOU MAY BE RISKING YOUR OWN LIFE..!

Chelsea Rorec,

Before the next time we meet, you better guard the Priestess as carefully as you can...
DAMN IT!
HE'S GONNA ESCAPE
WAAA!!

Huh?
OUCH... HOT!
He's gone...

All gone!
Along with those blackened monsters ...

Sword skills?

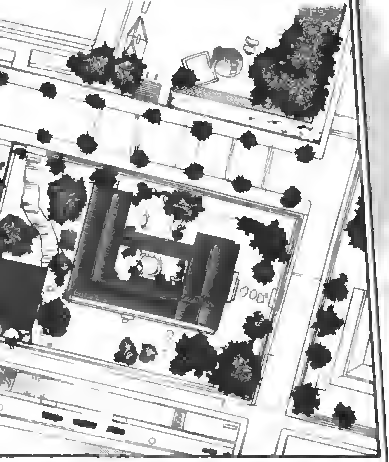
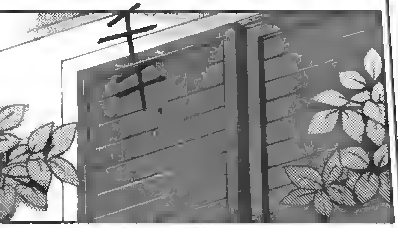
Every Thought

Lord Seki...
You seem very troubled.
Lord Kasshin must be very disappointed in you.
But it's expected, since the key player for the plan, the Maiden of life, has escaped from you to the above...
You...
Did you come here just to tell me all this crap?
Of course not...
SFX: NOTE FOOTSTEPS

I heard you, who's ranked #5 in the Company, lost to some surface human
That kid was resuscitated with the maiden's revival ability
and possesses the ability to control wind
Sounds like you were asking around
I'm not like you, I don't have the patience to wait
That's not a good habit
Allow me to help you to settle this problem!





SFX NOTE: BIRD'S CHIRPING

Just use your concentration.
I know!
I'll try my best ...
Slowly calm yourself down, then picture that,
understand?
When swinging the wooden sword, imagine it cutting the water surface
Deep down from my heart ...
Naturally ..
Imagine the picture,
Which is releasing the wind from swinging the wooden sword.

Go tell blondie I can't be like her and those underground people who can get a hang of the power so easily!
Screw the wind ability, I don't want to be so damn soaked my whole life!
Shut up!

Huh?
Ah...
He's gone
Anybody who suddenly realizes that they have special ability...
But you can't really blame him,
SFX NOTE: WIND RUSTLING
The wind is swirling around the wooden sword?

So that's what it is!

SFX NOTE: MOVING SOUND

Today is already the 3rd day.

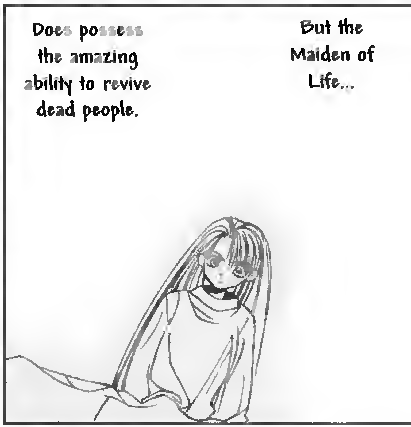
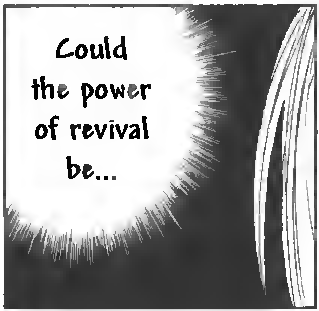
SFX NOTE SQUEEZE AND TWIST
Seems like...
The revival ability is still too much for her to take right now.

But... the person who is revived, has the same kind of ability as I do...



But the Maiden of Life...
Does possess the amazing ability to revive dead people.

!



Could the power of revival be...

Back then, he was able to use the wind power.

Rumina went to the park for a break.
I really tried to stop him...

THE REASON I TOLD YOU TO WATCH HIM IS SO THAT HE WON'T SLACK OFF!
WHY DIDN'T YOU WATCH HIM MORE CAREFULLY?
I really tried...

The person who emitted that aura went after him...
Could it be that...
No, that's not possible ...

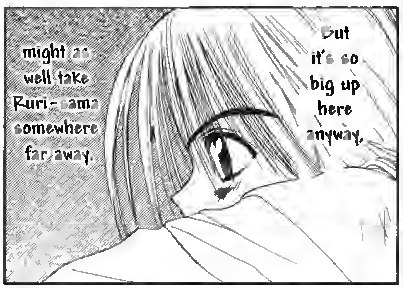
?!
It looks like there's electricity running around her ...
Am I seeing things ?

Heh ...
I thought Seki was defeated by some kind of monster, but he's just a normal guy!
I finally found a chance to be alone and try to calm myself down. Why did this kid come here to distract me?
?
?
Looks like ...
Big brother ?
Big brother isn't what I was expecting !
!
That's not very nice ...
What?
I don't know who you are, but I'm thinking right now.
Go play somewhere else, don't distract me!
Listen!

What?
You're ...
Big Brother.
Then I'll just have to play with Maiden sister then,

Ever since Run-sama used the revival power, she's been unconscious.
What should I do from now on...?
As long as we're still here, those people will never stop coming.
Surface people are not reliable ...
I don't want to do this kind of weird training anymore!



might as well take Ruri-sama somewhere far away
But it's so big up here anyway,

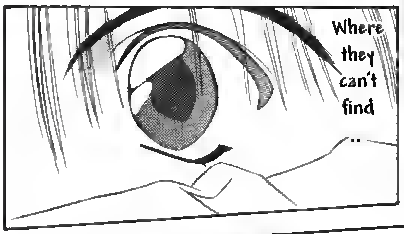
It does seem a little bit too rough to ask this much from people above ground



Where they can't find

This is wonder-ful!
If you were still unconscious, I really wouldn't know what to do

Rumina might be in trouble ...
it hurts!
Damn you little kid !

Hurry up, show me that wind ability!
This is boring, all you do is run away.

WAAAAA ...
Stop!

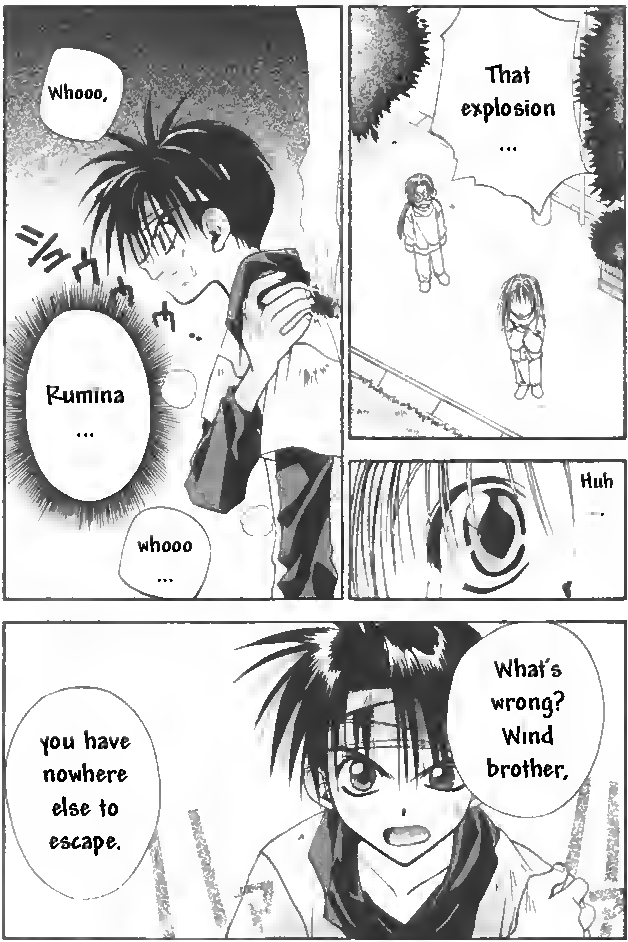
In this kind of emergency, it's never gonna work!
Stay calm, the 100 times I tried before didn't work.
What ability?
Shut up!
Why do you people always say that?
Tsk... this is disappointing. I thought I'd get to see special abilities from surface people!
Don't compare a normal person like me to you monsters!

Just throwing rocks at me won't do anything!
This is boring now, I think I'm going to finish you off.
Okay...
Then I'll go play with Maiden sister.
What can a rock throwing person do?
HAHA HAHA ...
If you dare go near Ruri, I'll get you for it!
Grrr... you.

!
Watch this!
Trash can attack too!
Whaa
shuuu
Eh?
HA! Gotcha!
Damn...
Almost got her!

But... I'm going to be serious now.
.....
I was careless,
Wait!
Huh?
He should be here.

Chelsea, what's wrong ?
That is...
!
Ah!!
That is a typical technique an Electricity person uses
"Electric Wall."
The rock rebounded
kedong



Whooo,
ミシャ
Rumina
...
whooo
...
That explosion
...
Huh
...
What's wrong? Wind brother,
you have nowhere else to escape.

If you still won't use the wind ability, I'll kill you!
You may be good with running, but you've got nowhere to run to now.
It's impossible for humans to penetrate my Electric Wall.
ziiii
Rumina

But it's a good chance to see if he really has the ability!
This may make Ruri-sama sad.
I am dead !!
!?
TRY MY LETHAL THUNDER ...

I can't control electricity!
Oh no! Without the ribbon ...
Whoa!
Eh...?
RURI?
WHAT?
Huh?
Oh no ...! I'm not gonna make it!

Wind!
Please...
Picture the way wind cuts through the water surface ...
and then naturally ...
Calm myself down,
PLEASE, ONCE AGAIN!!
WIND!
WAAAAAA!

APPEAR ONCE AGAIN!
!
That's ...
Wind ability ?

Ah!
!
Kuri-sama, are you hurt?
Chelsea

His power is really scary...
It completely blew away that electric ball!
That is ...
My ability ?

He blew away my electric ball without knowing how to control wind.
Smack
. . .
cough
cough
I don't need to risk my life for the Company anymore
. . . . . !!
I under-estimated his ability!
Anyhow, now that I've confirmed the surface people's power,

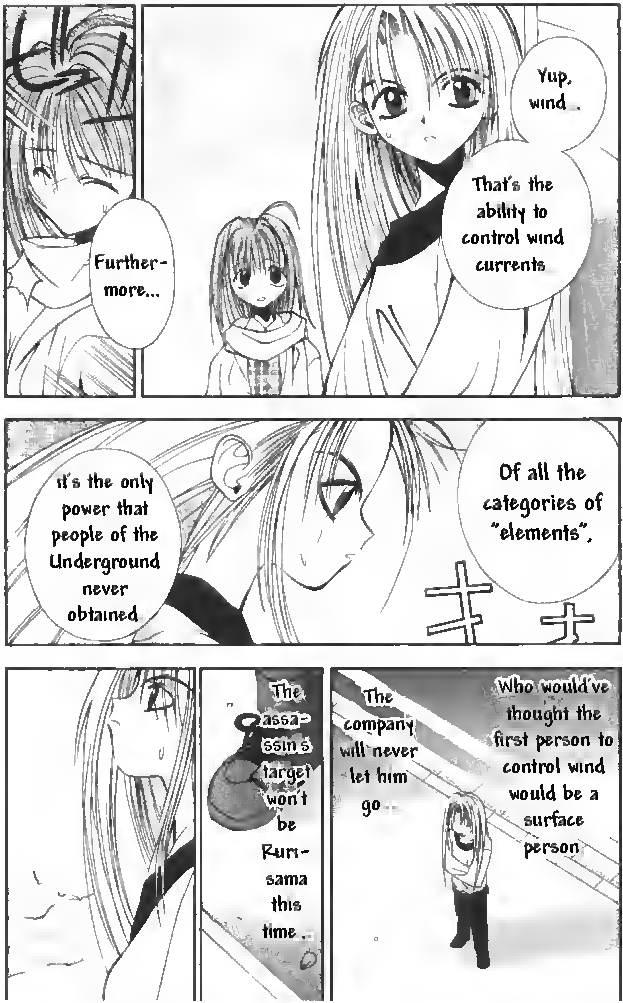
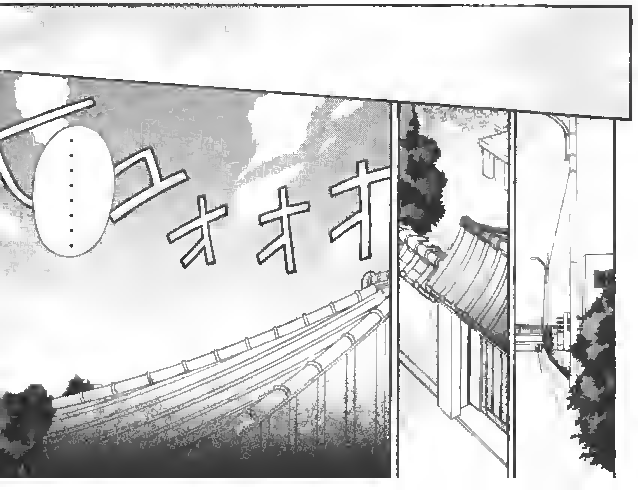
Tokyo Underground Vol1 CH6 School

A...
Appeared!
This is...
Wind?
The wind ability!



Yup, wind..
That's the ability to control wind currents
Furthermore...
Of all the categories of "elements",
it's the only power that people of the Underground never obtained
Who would've thought the first person to control wind would be a surface person
The company will never let him go..
The assassin's target won't be Run-sama this time..

It'll be...
Asagi...
Rumina...

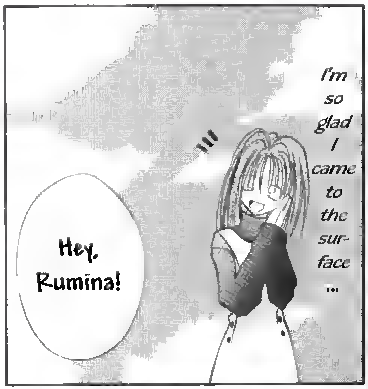


……
ォォォ

So peaceful
It's already been 1 week, could the company
be backing off after knowing that Rumina has the power of wind?
But Ruri-sama seems a lot happier now
OUCH!

RURI-SAMA!?
It hurts.
If you asked me, I would've brought you to the roof.
WOW!

The blue sky connects the scenery from far away to up close...
It's so nice!
When the wind blows on my cheek... so comforting.
!
Wind---
is Rumina's power.



I'm so glad I came to the surface ...
Hey, Rumina!

Seeing such a beautiful scene,
and also meeting Rumina and Ginnosuke

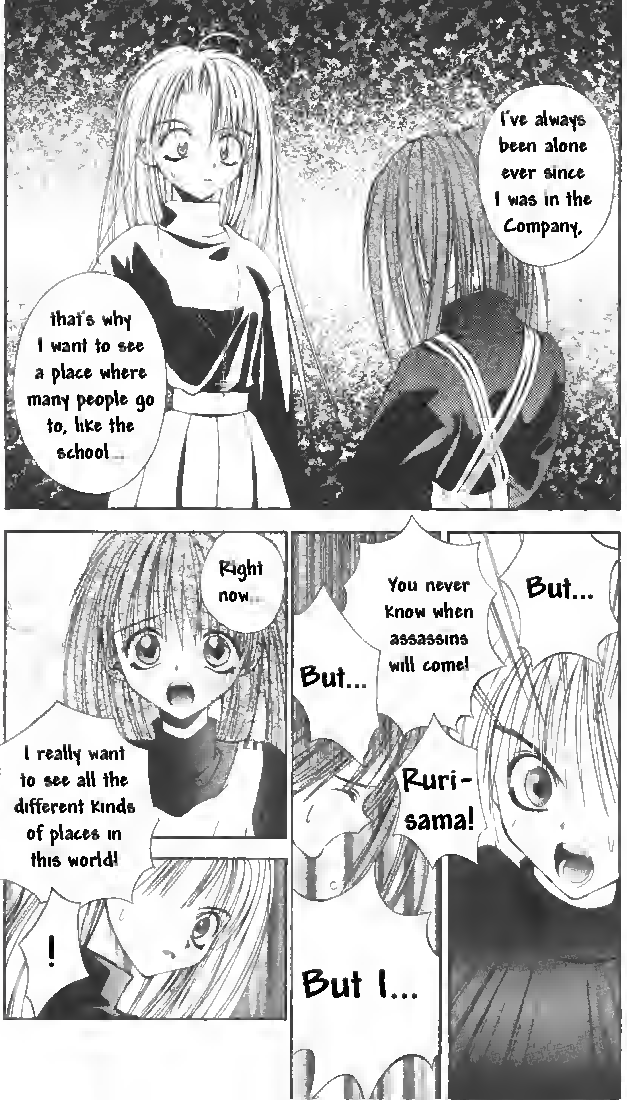
If you don't hurry up, we'll be late again!

Sorry, I'm late!
Ever since I got my ability, blondie has made me train everyday!
Such hard work...
?
?
Isn't it?
I still have to go to school everyday

School is where many people gather, and learn materials from different subjects
So...
School?
Yeah
hmm
That's what it is... where many people gather?

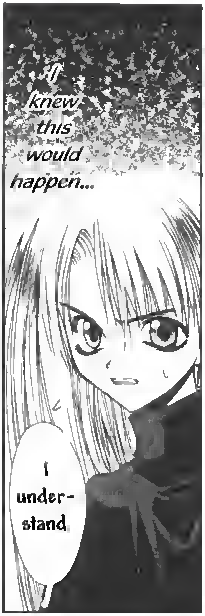
...
Yes .
You want me to take you to school?
ehh ..
Ruri-sama!
Could it be she wants to go on a date with me?
it's also at night...
Of course I can!
Can you do it?

Do you know how dangerous it could be?
It's already getting late, and to go to such an unfamiliar place as the school
Please
Chelsea
When did she get here?



I've always been alone ever since I was in the Company.
that's why I want to see a place where many people go to, like the school...
Right now...
I really want to see all the different kinds of places in this world!
!
But...
You never know when assassins will come!
But...
Ruri-sama!
But I...

But if anything happens, it's none of my concern!

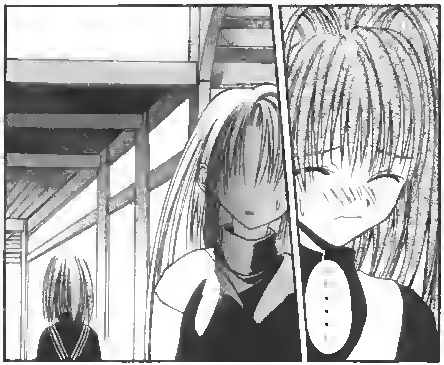


If I knew this would happen...
I understand

You can do whatever you wish, I won't interfere
ヒック

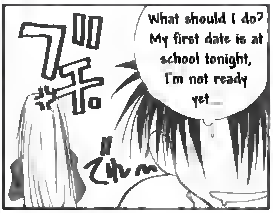
Runa-sama

!

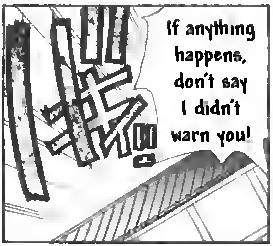


・・・

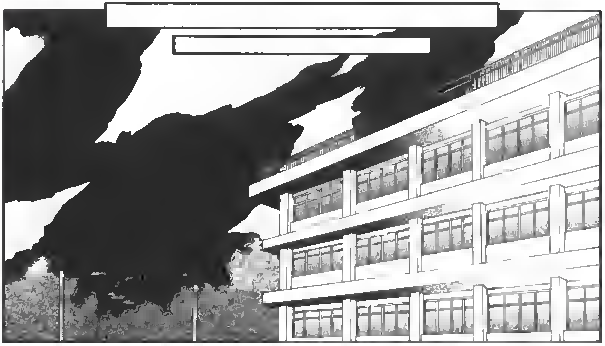
Why am I the only one being hit?
Chelsea...
ポタ ポタ



What should I do? My first date is at school tonight, I'm not ready yet...



If anything happens, don't say I didn't warn you!



Wow... it's huge!
Is this school?
It's kinda rundown!
Sigh... I thought it would only be us two...
but we won't be able to get in without you.
Hmph...
With my intelligence there are no locks I can't open!

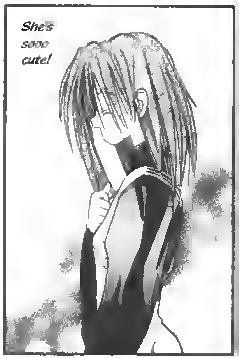
Oh yeah... how come Chelsea didn't come along?
Stick close and don't get lost
Ah... okay
Chelsea...
That stubborn woman, she's probably crying in her room!
She hit me too!

Wow...
The classroom is a bit dirty.
This is where we study everyday
I can feel it...

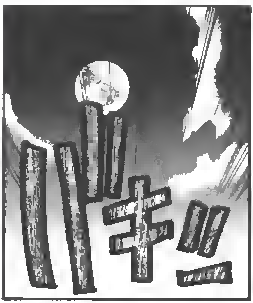
Never thought of school as such a boring place.
EH!? That voice is...
In this room, many people
The scent of many people
Chelsea!!
.....
!

Wow...
Weren't you at home? Why are you here?
Hmph
I'm Fuu-sama's guard, it's my duty to follow her
I think you're afraid of being alone
I am not!
Everyone, look!

That's the moon, it revolves around the earth
Who cares! That's not important
She's sooo cute!



That circular light, how did it get up there? There's no ceiling.
Ceiling?
What? Circular light?



What?
Next time I will definitely be alone with her— As for these people I'll—

Why did you hit me again? You violent woman!
That's because you have dirty thoughts.
They seem surprisingly at ease
The Maiden of Life and her guard.
Oh, well...
What's so bad about that?

Tonight will be the last time they see the moon!

Bonus Page

Seeing the manga I drew being lined in the bookstores- it feels really strange

Hello, I'm Uraku Akinobu

What will happen now----

hiii---

Even the artist himself is worried

Even he didn't think about it.

Not only that even in the first chapter there are too many characters and the main character is weak and dies immediately

So

But you know "Tokyo Underground" is such a long title...

This is a suitable, polished title that came after some phone calls.

*SFX: PEOPLE COMING IN GROUPS

If you like it or something, please send me a letter.

thud

I want to play games...

I want to go outside...

I want to karaoke... *sob*

If there is a chance, he would introduce the character profiles, so...

And to those assistants who came from far away with vague directions and worked so hard, I really appreciate it

And to all my friends who helped me, although they're busy and didn't receive anything in return

so -- very deeply

Someday, I'll treat you to ramen

Speaking of letters, sometimes when I'm blue, I'm much encouraged if I read them

I enjoy your feedback everytime

We finally got a copy machine, it's a bit late though

Ah... we barely made it up to now.

So then the serial has been at the pace of monthly publications Let's work hard to make the deadlines

Now then, let's meet again!
